

What To Do If You Are Involved In An Accident

Auto Accidents happen to even careful drivers. Knowing what to do is important.

FOLLOW THESE SIMPLE STEPS: (INCLUDE LOGO)

- **Check for injuries – Take care of yourself and others!**
- **Do NOT get out in traffic**
- **If possible move your vehicle off the roadway**
- **Call the police – Even if the accident is minor**
- **Note damages to your vehicle and any damages to other vehicles or property**
- **Exchange information with other drivers**
- **Ask for the name and address of anyone who witnessed the accident**
- **Note specific details about the accident, like location, weather and visibility**

Keep this in your vehicle!
